When it comes to sun protection, one product does not fit all.

By Alexandra Engler

IN THE CITY If you live in an urban area, UV rays aren't the only thing you need to worry about: Particulate matter from pollution can also harm your complexion. La Roche-Posay Anthelios SPF 50 Mineral Sunscreen Gentle Lotion (\$29.99) contains antioxidants, which neutralize free radicals so you can combat both concerns.

AT THE BEACH Ingredients like oxybenzone and octinoxate can cause coral bleaching, which wreaks havoc on marine life. Australian Gold Botanical Sunscreen SPF 70 Natural Spray (\$16.99) is reef safe. Also, always opt for something water-resistant so that less washes off into the ocean.

BY THE POOL Sun damage is as much an issue for hair as it is for skin:

FOR DAYTIME COCKTAILS For a dash of playful shimmer, Bare
